**Service agreement / Disclaimer notice**

**I authorize HMMCCALL.COM to attempt repair on my computer equipment. I understand that a non-functioning computer device may have component damage that could entail significant cost to repair. I understand that disassembly of some computer equipment (laptop computers) is sometimes necessary to ascertain problems. I understand there will be a charge for this disassembly/reassembly even if I do not elect to continue with repair at any time. Customers will be advised when a significant problem is found to exist and an estimate of cost will be provided.**

**If repair requires reinstallation of operating system, customer MUST provide restore discs with a VALID licensed copy of the operating system. If no copy is provided, HMMCCALL.COM will install an open source (Linux) operating system. A non licensed copy of an operating system will NOT be installed by HMMCCALL.COM.**

**When repair cost will exceed \$50.00, prepayment of cost may be required.**

**By allowing HMMCCALL.COM to repair my computer, I agree with statements above.**
